**Q6 In the 2014 survey, over 89% of respondents said they would contribute £3 to ensure that Northern Athletics continued to provide competition and development of athletes and officials. Despite our efforts to persuade England Athletics that a proportion of the Athlete registration fee should be reserved for, & routed to, the grassroots of our sport, we still have no agreement that this will happen. Do you support a proportion of the athlete registration fee, currently £14, being directly routed to the grassroots competition & development of the sport? If yes please specify the amount in the Other comment box**
