Dear Club Cross Country Secretary/Manager/Official

Please find enclosed details of the 4<sup>th</sup> Birmingham XC League Division 1, and Midland Womens XC League races at Warwick University on Saturday 11<sup>th</sup> February 2017. The events have been issued with permits by the Midland Counties Cross Country Association and a risk assessment has been completed.

The courses are at Warwick University with changing and showers and number collection at the Cryfield Grange Sports Pavilion CV4 7AL.

Parking is at the pavilion for officials only and in car parks on the access road to the pavilion for everyone else. Although there are parking restriction signs on the car parks these do not apply on Saturdays. There is also further car parking on the main university campus a few minutes walk from the sports pavilion. Parking for coaches is also available in car parks on the pavilion access road.

Refreshments and number collection are on the **top floor** of the pavilion.

The start of the ladies race is 1:30pm and the men's race 2:30pm. Please be aware that football and lacrosse games may be taking place on adjacent pitches at the same time as the races. The start is located about 300m from the pavilion. The course will be 1 small lap and 2 large laps for the ladies and 3 large laps for the men. The course is mainly grass and tracks with 2 or 3 university road crossings (carpeted) and will be suitable for spikes.

Team managers please ensure your number boards are handed in before the races start to the league secretaries or race referees. Similarly after the races hand your team's completed envelope with all your discs to the Division Secretary **at the finish funnel** as soon as possible.
