

MIDLAND COUNTIES TRACK & FIELD LEAGUE 2016

The third match of the Midland Counties Athletics Direct Track & Field League saw a total of 10 new records and two other records equalled, including a 43.2s run from Abingdon AC's 4x100m team. A high standard of competition in Division 1 saw four new league records created; in the last match Jake Porter equalled the record, this time he broke it with a 14.09s run in the 110H and Lucy Bryan smashed her own five-year-old record by 20cm in the Pole Vault. Two of the records came in the High Jump, in the men's Mike Edwards cleared 2.23m to break another five-year-old league record by 9cms, while in the women's event Bethan Partridge jumped 1.80m. Congratulations to everyone who competed and thank you to the officials and team managers. A minutes silence was held at the division 2 match in memory of Dave McNamee from Cheltenham & County Harriers who recently passed away.
